

Notice of Public Hearing
Name of water system/community
Preliminary Engineering Report (PER) to obtain assistance from
The Drinking Water State Revolving Fund (DWSRF) Loan Program

The town of Brookston will hold a public hearing at 7:00 PM on Wednesday, March 27th 2024 at The Brookston Town Hall, 205 East 3rd Street, Brookston, Indiana 47923. The town of Brookston's engineering consultant Ken Smith of Municipal Civil Corporation will present the recommended upgrades to Brookston's drinking water infrastructure, which will include rehabilitation of the water filter plant including replacing media, supporting baffles, nozzles and hatch seals, tank vent improvements with screens, new aerator blower motor, aerator packing media, detention tank, replaced of a number of fire hydrants and new plant controls, as described in the PER. The project will be funded through a DWSRF loan

At this hearing, there will be the opportunity for questions and comments from the public. Participation is welcomed and encouraged. If special assistance is required at the meeting, please contact 765 563 3171 Regina Berryman. Copies of the PER are available for public viewing starting March 21st, 2024 through April 1st at 205 East Third Street, Brookston Indiana 47923 the town hall. Written comments regarding this project should be sent to Regina Berryman at 205 East 3rd Street, Brookston, Indiana 47923 prior to April 1st 2023.
